

## WANTS RECEIVER AND INJUNCTION IN SUIT FILED

**Amos Bowman Brings Action In Common Pleas Against Levi S. Bradfield**

**ANSWER IS FILED BY MT. VERNON CHURCH**

**Divorce Granted By Judge Blair; Last Will Of Ross Pumphrey Is Filed**

Amos Bowman commenced a suit in the Knox county court of common pleas Thursday morning against Levi S. Bradfield and the New Knox National bank, in which he asks for the appointment of a receiver for a partnership business and for an injunction restraining the bank from paying out any of the partnership funds.

According to the petition, the plaintiff entered into a partnership with Levi S. Bradfield on Sept. 8, 1917, whereby they were to conduct a business for the buying and selling of hay. The plaintiff alleges that the defendant failed to make any accounting of the business and that the partnership terminated Sept. 18, 1918. The plaintiff claims the defendant took possession of all the accounts and the bank book and has them in his possession. The plaintiff further states there are funds in the New Knox National bank in the partnership name. He therefore asks for a receiver for the business and for an injunction restraining the bank from paying out funds. A temporary injunction was granted by Judge Blair Thursday. William L. Robinson and Henry C. Devin are the attorneys for the plaintiff.

### Answer Is Filed—

In the case of B. Foster Tulloss, administrator of Felicia S. Tulloss, vs. The First Presbyterian Church of Mt. Vernon, an answer has been filed by the defendant. The defendant claims all property of which the testatrix died, seized or possessed, and also claims that B. F. Tulloss has no interest in the estate of the said testatrix. The attorneys for the defendant are Moore & Sperry.

### Opinion Rendered—

In the case of Albert Kearns vs. The Ohio Fuel Supply Co., a written opinion was handed down by Judge Blair in the court of common pleas Thursday in which the motion is sustained as to the first branch and overruled as to the others.

### Granted Divorce—

A decree of divorce was granted the plaintiff in the case of Anna Cipolletti vs. Venango Cipolletti by Judge Blair in the court of common pleas Thursday. The divorce was granted on the grounds of wilful absence and the plaintiff was restored to her maiden name, Anna Venturini.

### Offices Closed—

The offices of the county treasurer and county recorder were closed Thursday afternoon during the hour of the funeral of the late John N. Myers, who was a former treasurer and former recorder of Knox county.

### Will Is Filed—

The last will and testament of Ross Pumphrey, late of Martinsburg, was filed in probate court Thursday. By the terms of the will the testator gives to his wife, Emma S. Pumphrey, his life insurance in the sum of \$1,000. He also gives to his wife all his money and notes and the farm on which she resides. The wife is also given the income from the 230-acre farm in Clay township. After the death of his wife, the farm of 70 acres is given to the testator's daughter, Faye McCammett. All other property is to be sold and the proceeds divided equally among the testator's children: Thomas S., Josiah M., and Clara Ann Brown. The testator states that as he has advanced the sum of \$3,500 to his son, J. M. Pumphrey, and \$1,000 to his son, Thomas S. Pumphrey, he desires that his daughter, Cecil Ann Brown, shall be made equal with the two sons before the distribution of the property. The wife is named as executrix. The will was signed Dec. 11, 1912, in the presence of J. W. Burger and J. L. Hays.

Emma Pumphrey has been appointed executrix by the probate court, no bond being required. The appraisers are J. L. Hays, John Higgins and Calvin Purdy.

The widow also elects to take under the will.

## POLICE ARREST GALLEGHER ON A SERIOUS CHARGE

**Alleged That He Burglarized The Residence Of Mrs. Della Lindsey**

**GOODS RECOVERED BY THE OFFICERS**

**Chief Of Police Parker Files Charges Of Burglary Against Man**

George Gallagher, North Sandusky street, was arrested Wednesday night by Chief of Police Parker and Patrolman Hough on a charge of burglary.

The police claim that Gallagher broke into the residence of Mrs. Della Lindsey, South Gay street, Monday evening and stole a large amount of clothing, silverware, jewelry and other articles.

The members of the Lindsey family were absent from home when the burglary occurred. It is claimed that two men entered the house by breaking the lock of a door. After gathering up the numerous articles they made their escape by a rear door just as the members of the family were entering the front door.

Mrs. Lindsey suspected Gallagher and informed him that he must return the goods at once. Gallagher agreed to do this and on Wednesday night he deposited the goods under the building of the old Camp Glass factory. Chief of Police Parker and Patrolman Hough were on the scene and just after Gallagher had deposited the stolen property he was grabbed by the officers and placed in the county jail.

The police claim that Gallagher was assisted by another man at the time of the burglary and that another arrest may be made.

Gallagher was arraigned before Mayor Blair Thursday morning, and his preliminary hearing was set for Saturday afternoon at 2 o'clock. In default of bond in the sum of \$500 he was sent back to the county jail.

## RINEHART ARRESTED FOR SELLING LIQUOR

**Police Claim The Man Sold Booze To Two Boys Wednesday Night**

Jesse Rinehart was arrested by Chief of Police Parker and Patrolmen McElroy and Fisher Wednesday night on a charge of the unlawful sale of intoxicating liquor.

Rinehart was placed in the county jail. The police stated they saw two boys coming from the Ball livery barn on West Ohio avenue and that each had a pint of whiskey. The police entered the barn where they found Rinehart and promptly placed him under arrest. An affidavit charging him with unlawfully selling intoxicating liquor was filed by Chief of Police Parker.

Rinehart pleaded not guilty. In default of \$300 bond, he was sent to jail to await hearing on Nov. 27.

## MAY TURN THIRD WD. SCHOOL INTO INFLUENZA HOSP.

**Board Of Health To Decide Tonight Course In Matter**

**WOULD ENTAIL SMALL COST TO CHANGE BLDG.**

**Cases Would Be Isolated Removing Partial Cause Of Spread**

A meeting will be held Thursday evening of the city board of health and members of the Anti-Influenza organization of the county, to discuss the question of turning the Third ward school building into an isolation hospital for influenza victims.

At a meeting of the board of health Tuesday evening the building was offered to the city as one which could be easily prepared, in a short time, for handling cases of influenza and preventing the spread of the disease among the families where only one member is ill.

Mayor Blair, in discussing the question on Thursday, said that he did not believe the board of health would find it necessary to take the steps necessary for converting the school building into a temporary hospital, as he believed the danger period in the epidemic here was nearly over.

The changes that would be necessary, should it be found advisable to convert the building into a hospital, would be to remove the seats from the number of rooms required for the patients and place cots and chairs in it. This would entail almost negligible expense and at the same time would afford the city a place in which the cases of influenza in large families could be isolated, thus removing the danger of other members of the family being taken ill with it.

## FOUR TOWNSHIPS OVERSUBSCRIBED IN THE CAMPAIGN

**Another Ace Of Ace Is Named In City—The Mt. Vernon Bridge Co.**

"County returns in the United War Work Campaign," said Chairman Dowds Thursday morning, "are coming in slowly but the work is proceeding satisfactorily and the county quota is in sight. There are a few precincts where the work seems to lag, and I hope that when the final report is made, they will show a full quota and more."

The following townships have oversubscribed: College, Milford, Hilliar and Butler.

The committee cites an ace from the county in the person of James Allen of Jackson township. Another ace of aces in the city is the Mt. Vernon Bridge Co., subscribing for \$800.

P. J. Cummings advised the committee Thursday morning that he had left subscription cards for his district of Berlin, Middlebury, Morris and Wayne townships at the banks in Fredericktown, where all who are missed in the canvass may subscribe.

## ORDER FOR RETURN OF QUESTIONNAIRES TO BOS. RESCINDED

**Official Notification Reaches Here; 18-Year Men To Be Classified**

It was reiterated at the office of the local draft board Thursday, as a result of the receipt of orders from Major W. S. Pealer, director of state draft headquarters, that all registrants above the age of 37 years need not return their questionnaires, but may keep them as a "souvenir" of the war, or destroy them, as they see fit, but that all 18-year-old registrants must have their questionnaires filled out and returned to the local board in accordance with the instructions which accompany them.

It was given out officially, late Wednesday afternoon, that the men from 37 to 45 years, inclusive, must return their questionnaires to their boards unfilled, but the order received Thursday from state draft headquarters takes precedence over the other order. If men in the 18-year-old class have not received questionnaires, they are to apply at the office of the local board for them.
